THE REFLECTOR

1961

Forward

It is the wish of the Senior Class of Thomas Dale that the REFLECTOR be like a mirror. When the memories of high school life tend to fade away, a glance into this yearbook will recall old friendships, exciting sporting events, the fun of shared activities, and many other meaningful experiences and thoughts of Thomas Dale school life.

As the South's past is mirrored, let us cherish the thoughts of a way of life now being partially renewed during this centennial observance of the War Between the States.

Kathy,
It just doesn't seem possible that our highschool days are almost over- Remember how in the 7th grade we hardly spoke to each other. Now we are the best of friends. I hope that no matter where our paths may lead us we will always be as close as we are today. The next four years ought to be a blast if we make it- I know we will.
Remember when - a nine o'clock dip in the pool - talking til three or four in the morning and seeing visions- Double or triple dating in our younger days - going on week-ends trips to Washington - I can't mention them all- But I know I will always remember everything we have done together-

IN MEMORIAM

Francesca Cline

Briefly they walked among us
And swiftly passed away
As fade the brilliant morning stars
Before the oncoming sunrise.
Love's Angel was their sweet companion
And Love has claimed them for Her Own.

Our ranks remain unbroken still,
For in our hearts they move among us;
The echoes of remembered laughter
Make bright our darkest day.
In memory they walk with us and
Leave us not.

Best wishes to a very nice girl. The '61 Ryllaton is the best yet. Linda and I will try to keep up the good work. See ya!

Kathy,

Well I can't believe you are almost at the end of the rope. It has been a long hard road. Remember the first and second grade. Do you remember the fun we had up in the attic? Those were the good ole days.

I hope your life will be full of joy and happiness. I hope to see you in later years at Longwood.

Love
